

Virgin Australia IOT Bulletin

14 November 2021

Freight services to the Indian Ocean Territories (IOT) will be adjusted from 19 November 2021, with operations now scheduled as follows:

Date	Route
Friday, 19 November 2021	Perth to CI only (via LEA – no CI fuel uplift)
Friday, 26 November 2021	Perth to CI to CKI

Further freighter updates and revised scheduling is expected to be provided shortly.

Additional details regarding airfreight arrangements to the IOT are available at <https://www.freightshop.com.au/>.
