

PERISHABLE BOOKING PROCEDURES

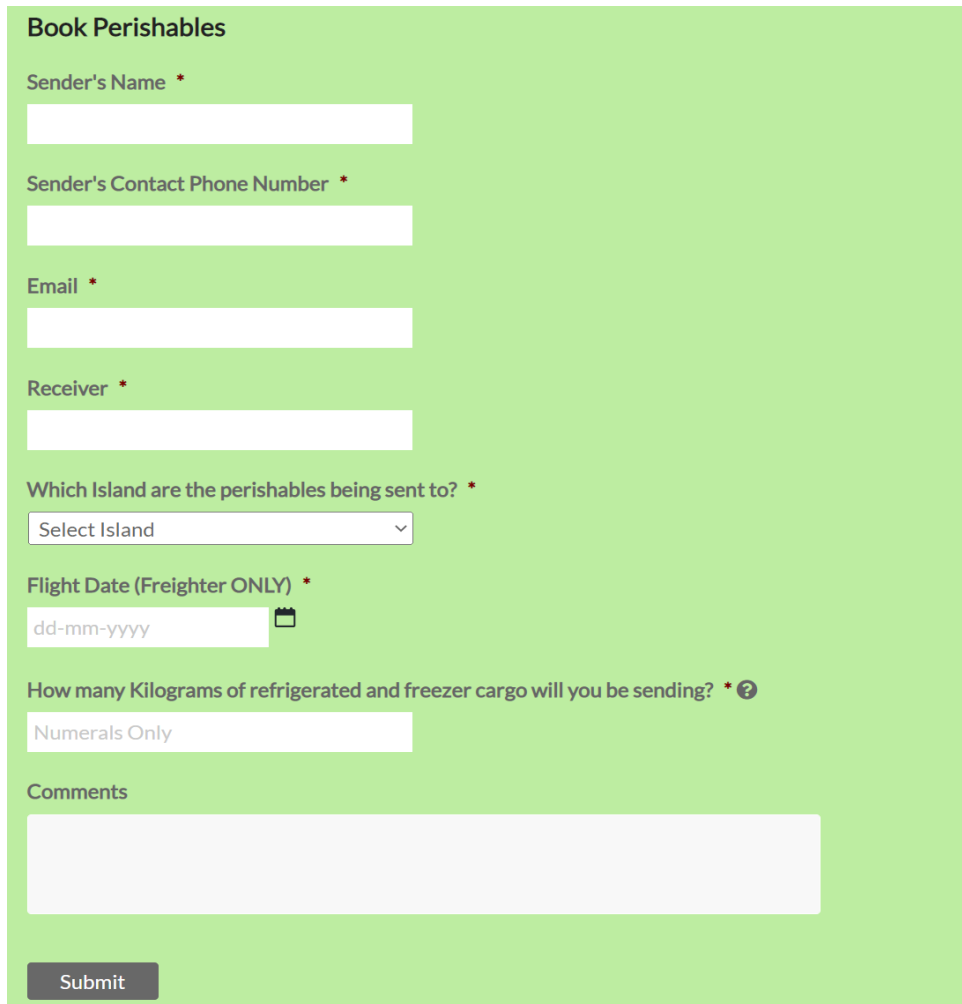

Booking perishables is **compulsory**.

Unbooked/Overbooked/Underbooked cargo will be subject to penalties or rejected at time of lodgement.

A unique perishable booking for each supplier is required. One booking for multiple suppliers cannot be accepted. This can be completed as per the link below on computers as well as mobile devices.

Lodgement Process:

- 1) Perishables to be booked **before 12pm Tuesday** of the freighter week. This can be completed by either the supplier or receiver. Link for bookings form: <https://www.freightshop.com.au/book-perishables/>
