Updated Freighter Schedule

We wish to advise that the freighter scheduled for Friday 31<sup>st</sup> May 2024 has been brought forward one week to Friday 24<sup>th</sup> May 2024. Due to this flight being rescheduled, delivery and booking cut-off times have been adjusted. Please see adjusted times below.

Perishable bookings close Monday 20<sup>th</sup> May 2024 midday.

Cut-off for **ALL CARGO** is Tuesday 21<sup>st</sup> May 2024 midday.

Any perishables delivered after the close time may be sent back to the supplier or incur storage charges due to a three week gap between the freighter on Friday 24<sup>th</sup> May 2024 and the next scheduled freighter on Friday 14<sup>th</sup> June 2024.

Dangerous goods will need to be delivered before Monday 20<sup>th</sup> May 2024 to allow time for certification. Dangerous goods lodged with accurate safety data sheets will be prioritised ahead of ones lodged without accurate safety data sheets.
